Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. § 1.56, and in addition to information disclosed in Applicant's Information Disclosure Statements filed May 23, 2001, May 22, 2002, and March 4, 2003, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. The listing of a reference herein is not an admission that the reference is prior art or that the reference is material to patentability.

This information is being filed before the mailing date of a first Office Action on the merits.

I hereby certify that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign

application not more than three months prior to the filing of this Information Disclosure Statement. 37 C.F.R. § 1.97(e)(1).

The references were cited in a counterpart foreign application. A copy of the foreign office action (for JP2003-032922) is attached for the Examiner's information.

Please note that the following foreign language references have an English language counterpart, which are presumed to have corresponding subject matter as the foreign language references and are listed on the attached Form PTO-1449:

U.S. Patent No. 6,466,914 B2 is an English language counterpart to JP 11-259566; and

U.S. Patent No. 5,724,045 is an English language counterpart to JP 81-46129.

Also, the remaining foreign language references do not have English language counterparts but do have English language abstracts attached. The concise relevance of these references is provided by said abstracts and the figures.

Respectfully submitted,

Douglas J. Christensen
